

Hornsby Heights Camera Club Inc 2020 President's Report

This year has been different. We have had four meetings in person and the rest on Zoom and most of our activities were cancelled.

Thank you to all of you who have supported the club through this global pandemic adventure.

I would like to thank the committee for the work that they did at the start of the Covid 19 lockdowns to ensure that the club could continue to function. Particular thanks need to go to Dave Curtis for setting up Zoom meetings and managing the website with the different changes.

I would like to thank Jonathon Beckerleg and Elaine Holliday for negotiating with the judges which has been more trying this year as the judges had to deal with online platforms. A couple of stand out moments have been a couple of times the judges have had to complain about their spouses making too much noise in the background while the judging was taking place.

This year we entered into the FCC Interclub Competition again. We came 9th once more – which is pretty good for a small club like ours. Thanks go to Elaine, and Sonia Conn for organising our entries. The standard of photography for the club is improving every year.

We had some great outings organised by Sonia Conn, who has done another great job as events co-ordinator. A lot of thought goes into planning these events whether they go ahead. Sonia is stepping down as events co-ordinator this year. I would like to thank her for her work over the last couple of years.

I would like to thank Elaine – who keeps this club running. She does a fantastic job organising a lot of stuff behind the scenes as the club's secretary. She is unable to attend the Annual General Meeting and I would like to thank Bob Sendt who has stepped in as Minutes Secretary.

With Covid restrictions easing, movement throughout the country happening again and the hopes of a vaccine, let's hope that next year will be a better year.
